Metropolis Healthcare launches Institute of Laboratory Education and Skilling

26 September 2024 | News

Partners with DY Patil (Deemed-to-be) University, Navi Mumbai to build a skilled and resilient healthcare workforce for the future

Metropolis Healthcare has announced the launch of its new initiative, the ‘Metropolis Institute of Laboratory Education and Skilling (MiLES).’ This initiative aims to bridge the gap between academic education and practical skills in healthcare.

Through MiLES, Metropolis Healthcare has established a strategic partnership with DY Patil *(Deemed-to-be)* University in Navi Mumbai to offer fellowships courses. This collaboration with a prestigious academic institution marks a significant step towards equipping healthcare professionals with cutting-edge knowledge and expertise.

In partnership with DY Patil *(Deemed-to-be)* University, Navi Mumbai, Metropolis is introducing a one-year Fellowship Course in Advanced Clinical Chemistry, Advanced Hematopathology, Advanced Surgical Pathology, Quality Assurance in Laboratory Medicine, and Molecular Pathology & Cytogenomics.

Designed for Post-MD and DNB students, these courses integrate theoretical knowledge with practical training, focusing on the latest advancements in diagnostic technologies. Participants will develop advanced skills through laboratory immersion, real-world case studies & ancillary technologies, all under the guidance of Metropolis Healthcare's experienced subject matter experts.

The legacy of DY Patil *(Deemed-to-be)* University as world leaders in the field of education will add immense value to the participants of these courses. The programme also includes research and publication opportunities, enabling participants to contribute to the progress of medical diagnostics.
