Marengo Asia Hospitals strengthens orthopaedic leadership

30 May 2025 | News

Onboards world-renowned orthopaedic surgeon Dr K. C. Mehta

Marengo Asia Hospitals' flagship unit, Marengo CIMS Hospital in Ahmedabad, has announced the strengthening of their Orthopaedic leadership with the onboarding of world-renowned orthopaedic surgeon Dr K. C. Mehta as Director – Orthopaedics and Joint Replacement, Marengo CIMS Hospital, Ahmedabad.

Dr Mehta is internationally acclaimed for designing his proprietary knee joint and holds ten global patents across countries including the USA, UK, Australia, New Zealand, Singapore, China, India, Indonesia, and Malaysia.

With 35+ years of experience, Dr Mehta has done over 40,000 orthopaedic procedures. Setting a rare benchmark in clinical outcomes, Dr Mehta has performed thousands of successful knee replacement surgeries without patients requiring postoperative physiotherapy. This distinctive approach significantly reduces patient discomfort, shortens recovery time, and lowers overall healthcare costs. Over the years, he has treated patients from more than 25 countries, including the USA, UK, Germany, Canada, South Africa, Singapore, Turkey, Sri Lanka, and Kenya.

Dr Raajiv Singhal, Founding Member, Managing Director & Group CEO, Marengo Asia Hospitals, shared: " The onboarding of Dr. K. C. Mehta at Marengo CIMS Hospital marks a focused step towards advancing our orthopaedic programme and enhancing access to complex joint replacement procedures. His addition supports our commitment to offering high-precision, outcome-driven care in one of the most demanding surgical specialities."
