

GE Healthcare bags The Indian Medical Device Company of the Year award

16 February 2018 | News

GE Healthcare was conferred the award for strong business performance and robust growth in revenue and exports.

GE Healthcare was announced as the Indian Medical Device Company of the Year 2018 at India's biggest Global Conference on Pharma Industry and Medical Devices. The 'India Pharma & India Medical Device 2018' conference, with the theme - 'Affordable and Quality Healthcare', is the 3rd International exhibition and conference on Pharmaceutical & Medical Device sector from 15th-17th February, 2018 in Bengaluru. GE Healthcare was conferred the award for strong business performance and robust growth in revenue and exports.

Nalinikanth Gollagunta, President and CEO, GE Healthcare, India and South Asia said "We are thrilled that GE Healthcare has been recognized as The Indian Medical Device Company of the Year. This recognition is a reflection of our commitment to bring high-quality affordable medical technologies to solve the pressing healthcare needs of the country."
