

IUIH signs MoU with UP govt. for medicity development

26 February 2018 | News

The medicity will have a 1,000 bed hospital and up to 20 per cent patients will be given free treatment at its facilities.

The Indo UK Institute of Health (IUIH), one of the largest healthcare infrastructure projects in the world, has signed a Memorandum of Understanding (MoU) with the Uttar Pradesh government to invest Rs 1,000 crores for an integrated medicity in the state capital. The MoU was signed during the UP investors' summit conducted recently.

The medicity will have a 1,000 bed hospital and up to 20 per cent patients will be given free treatment at its facilities. It will also have a medical college, nursing college, PG academy, and training facility for allied health professionals. It shall also have a separate zone for medical equipment and device manufacturing, and pharmaceutical production.

Cutting-edge medical research will be carried out at the IUIH Medicities in areas as diverse as genomics and stem cells, translational research and clinical research leveraging on the patient data available.
