

Veeda Clinical Research wins recognition by ASSOCHAM

30 May 2018 | News

Due to inventive thinking and inimitable ways, Veeda CRO has managed to attain phenomenal results.

Veeda Clinical Research, an Independent Indian CRO, has been recently honored with Best Clinical Research 2018 by the Associated Chambers of Commerce and Industry of India (ASSOCHAM) Pharma Excellence Awards held at New Delhi.

Due to inventive thinking and inimitable ways, Veeda CRO has managed to attain phenomenal results. The award goes to the clinical research organization that best demonstrates an ongoing commitment to improve clinical research services in India. This award is a testimony to Veeda's commitment in supporting all stakeholders - sponsors, investigators, and patients, through highly ethical, transparent and best-in-class services.

Veeda is committed to providing its clients with top level performance and execution that enhances its competitiveness in today's rapidly changing and fast growing segments of the pharmaceutical and healthcare industry. Receiving this award is a clear reflection of Veeda's success, driven by its deep scientific knowledge and service-oriented approach. The recognition corroborates the value Veeda continues to add to its clients.
