

Diagnostics firm 5th Vital raises \$500K

17 July 2018 | News

The company will use the funds for expansion and marketing.

Home diagnostics firm 5th Vital has raised \$500,000 (Rs 3.42 crore) from Brand Capital and other high net worth individuals (HNIs).

The company, which is operated by Prednalytics Health Pvt. Ltd, will use the funds for expansion and marketing.

5th Vital provides doorstep services. It also provides scans and imaging services such as X-Ray, CT (computed tomography) scan and MRI (magnetic resonance imaging). It is currently present in Bengaluru and Pune.
