

CitiusTech inks strategic partnership with FluidEdge

29 August 2018 | News

CitiusTech has successfully developed deep and long-term relationships with leading healthcare organizations and technology companies

CitiusTech, a leading provider of healthcare technology solutions and services, announced today that it has made a strategic investment in FluidEdge Consulting (FluidEdge), a national healthcare management consulting company headquartered in Philadelphia, PA.

FluidEdge focuses its capabilities within the operations and IT areas of health plan, life sciences and provider organizations. It has an experienced team of healthcare technology and management consulting professionals with deep expertise in business, operations and technology, along with a strong understanding of emerging trends in value-based care.

CitiusTech has successfully developed deep and long-term relationships with leading healthcare organizations and

technology companies. The company reached over \$130 million in revenue in 2017 with a CAGR of over 30% over the last five years, through a mix of healthcare technology services and platforms. CitiusTech has been ranked in the 2018 Healthcare Informatics (HCI) 100 list, putting it among the top 100 companies in the US healthcare industry for the third consecutive year.
