MaldiCare collaborates with Meitra Hospital

27 November 2018 | News

The MoU was signed at a ceremony held in Kerala.

Maldicare has signed a Memorandum of Understanding (MoU) with Meitra Hospital, Kerala, to further vision of optimizing health care delivery and the overall health and well-being of patients.

The MoU was signed at a ceremony held in Kerala recently. PM Shahul Hameed-Chairman of Janatha HealthCare, India-signed on behalf of MaldiCare while Director Dr. Ali Faizal signed for Meitra Hospital.

According to the MoU, both partners would enter into a strategic partnership to promote and carry out health services in Maldives by Speciality doctor consultancies, medical education and patient referrals for further treatment in its Multi-Specialty Hospital at Calicut.
