NCKU Hospital will provide training for medical staff at Cygnus.

Cygnus Hospitals has signed a Memorandum of Understanding (MoU) with the National Cheng Kung University (NCKU) Hospital in Tainan, Taiwan for promoting bilateral exchange in medical developments.

The MoU was inked, at a signing ceremony held in Tainan, by NCKU Hospital Superintendent Yang Chyun-yu and Director of Operations at Cygnus Hospitals Naveen Nishchal, who is also chairman of Voice of Healthcare, a policy think tank based in New Delhi.

NCKU Hospital will provide training for medical staff at Cygnus, while presenting an opportunity for Taiwan's biotechnology industry to tap the growing Indian market.
