Agilent to bring Mala Anand on Board

17 January 2019 | News

She has over 20 years of experience leading products and go-to-market for enterprise-focused software companies.

Agilent Technologies, Inc. has recently announced that Mala Anand, president, Intelligent Enterprise Solutions and Industries has been elected to its board of directors, effective March 20, 2019.

Mala serves as President, Intelligent Enterprise Solutions and Industries at SAP since October 2016. Prior to that, she served as the Senior Vice President, Data & Analytics and Automation Software Platform group at Cisco Systems, Inc. from 2007 to 2016.

She has over 20 years of experience leading products and go-to-market for enterprise-focused software companies. Mala has deep expertise in data analytics and automation platforms (real-time analytics, machine-learning, cloud platforms and distributed computing).
