

Hiranandani Hospitals opens at a third location to offer the finest healthcare facilities

28 March 2019 | News

Hiranandani Parks Hospital would be initiating Telemedicine Department Support, which will help to overcome distance barriers and to improve access to medical services that would often not be consistently available in distant rural communities.

Hiranandani Hospitals has opened at a third location in Hiranandani Parks, Oragadam. It is NHB (Nursing Home Board) Certified and has commenced operations in association with Dr. C. Anbarasu, MBBS, FCGP, FAMS. It has started off as a 30 bedded multi-specialties hospital.

Hiranandani Parks Hospital is the third such location where the expertise of Dr. L H Hiranandani Hospitals is being shared. Dr. L H Hiranandani has been the inspiration behind the edifice of Dr. L H Hiranandani Hospital. Real estate industry leader Dr. Niranjan Hiranandani, his Son, built the Dr. L H Hiranandani Hospital as a tribute to his father. The hospital is being run in two locations, both are mixed-use township projects of the Hiranandani Group - Powai, Mumbai and in Thane. Oragadam is the third such location.

Committed to our aim of creating a better life for the communities, Hiranandani Group consistently tries to serve the communities since its inception, said Dr. Niranjan Hiranandani. "The Hiranandani Parks Hospital marks a significant step in this direction. It is our endeavor to provide the finest healthcare facilities with expert healthcare professionals and latest equipment. The Hiranandani Parks Hospital is designed to be one of the leading and most preferred healthcare services providers in Chennai," he added.

"It is our endeavor to provide the finest healthcare facilities with the expert healthcare professionals and latest types of equipment. Hiranandani Parks Hospital is going to be a best multi-specialty hospital in and around Oragadam, Chennai," said Dr. C. Anbarasu.

Hiranandani Parks Hospital would be initiating Telemedicine Department Support, which will help to overcome distance barriers and to improve access to medical services that would often not be consistently available in distant rural communities. It is also used to save lives in critical care and emergency situations.

Hiranandani Parks Hospital will conduct weekly medical camps in nearby villages to create awareness on spreading diseases and give proper assistance on precautions and hygiene. Its healthcare outreach model focuses on preventative care. At

medical camps, the hospital will provide basic treatment and general check-up to help people be aware of their health status. Hiranandani Parks Hospital will organize teams of doctors, nurses and a lab technician who will work tirelessly to see that every patient is attended to.

Hiranandani Parks Hospital will consistently serve the healthcare needs of people in Chennai. Hiranandani Parks Hospital will consolidate the aim and efforts of the Hiranandani Group to serve the community and create a better life for them. "Working tirelessly 24 X 7, Hiranandani Parks Hospital is a sincere effort of giving wholesome health to the people of Oragadam, Chennai," concluded Dr. Niranjana Hiranandani.
