

# Jubilant Life Sciences announces Q4 & 12M'FY19 results

20 May 2019 | News

## Q4'FY19 Revenue at Rs 2,386 Crore; Normalised PAT at Rs 135 Crore

The Board of Jubilant Life Sciences Limited, an integrated global pharmaceutical and life sciences company recently met to approve financial results for the quarter and full year ended March 31, 2019.

Commenting on the Company's performance, Mr. Shyam S Bhartia, Chairman and Mr. Hari S Bhartia, Co-Chairman & Managing Director, Jubilant Life Sciences said, "The Company reported record performance in revenue and profitability in FY 19 led by robust growth in our Pharmaceuticals segment. Our strategic focus on de-risked business model and being closer to customer with leadership position in key products has driven this growth. Our global competitive edge due to low cost, vertical integration and capacity additions with commitment to ensure high level of compliance will further strengthen our businesses. We witnessed healthy performance during the quarter, which was offset by certain one-time charges. We continue to remain focused on generating operating cash to invest to support our growth and reduce the debt for a strong balance sheet."

## Outlook

The Company continues to work on its strategic focus on being closer to the customer and further strengthening its leadership position in defined businesses. We expect stable performance in FY20. The Pharma segment is expected to continue to deliver steady revenues with range bound margins across businesses. In LSI segment, growth will be led by

Nutrition and Specialty Intermediates businesses. The company is focused on generating operating cash to invest in building a R&D led product pipeline particularly in Specialty Pharmaceuticals business and on strengthening of its balance sheet by reducing debt to ensure sustainable growth.
