

Ambit Bio Medix opens cardio diabetic care division

17 September 2019 | News

To spread out its business network with premium quality cardio diabetic Pharma franchise programs

Gujarat based Ambit Bio Medix, which is a leading PCD Pharma Franchise Company in India, has announced the implementation of their exclusive cardio diabetic division of care.

The elite division of care by Ambit is a dedicated entity which will support the enablement of quality pharmaceutical products for franchise models as well as distributorships.

Ambit Bio Medix has achieved several critical milestones. And with this franchise model, the company wants to spread out its business network with premium quality cardio diabetic Pharma franchise programs.

With this program, they have come forward with a unique PCD pharma franchise business model for medical representatives and stakeholders at national horizons.
