

## 13th CPhI & P-MEC India Expo transforms global Pharma space

26 November 2019 | News

**A new chapter of the widely appreciated India Pharma Week by Informa Markets in India concurrently began at the India Expo Centre, Greater Noida**

The 13<sup>th</sup> edition of South Asia's biggest Pharma event, CPhI & P-MEC India expo, a three-day exhibition is being held from **November 26<sup>th</sup> – 28<sup>th</sup>, 2019, at the India Expo Centre in Greater Noida**. The event featured industry leaders from across the globe with 1,600 exhibitors from 44 countries. The gathering represented the latest developments in the pharmaceutical space across the globe. Pharmaceutical governing bodies like Pharmexcil, CIPI and IDMA supported the Expo making it yet another groundbreaking event.

The expo was inaugurated by Dr Dinesh Dua, Chairman, Pharmexcil; Mahendra Mehta, President, Indian Pharmaceutical Machinery Manufacturers Association; Samir Limaye, Vice President, IPMME; Ravi Uday Bhaskar, Director-General, Pharmexcil; Dr Satish Wagh, CMD, Supriya Lifesciences; Michael Duck, Executive VP, Informa Markets in Asia, Yogesh Mudras, Managing Director, Informa Markets in India, and Rahul Deshpande, Group Director, Informa Markets in India, amidst a gathering of industry experts from across the globe.

Commenting on this year's CPhI & P-MEC India Expo, Yogesh Mudras, Managing Director, Informa Markets in India said *"The past 12 editions of the CPhI & P-MEC India expo have paved the way for advancement in the Pharma space. It is always a pleasure for us to provide a forum to the industry leaders to present their contributions to the industry and at the same time, witness those of their peers. With a 12% growth rate annually, the India Pharmaceutical market is growing steadily, almost twice the world market growth rate. Having said that, unless we capture new market trends, innovate, adapt and seek newer opportunities, there is a risk of losing relevance in this dynamic global market.*

*"The CPhI & P-MEC India Expo is also an inherent part of our magnum opus, India Pharma Week (IPW), an array of marquee events celebrating the pharma industry, which started its 4<sup>th</sup> edition with the Pre-Connect Congress yesterday. Always staying sensitive and true to trends, this year the theme for the IPW is 'Adapt, Collaborate and Reinvent', to achieve the next phase of growth for the Indian pharma domain. It is imperative to 'Embrace Disruption to Avoid Being Disrupted' and for the same to happen, among other factors, Indian companies need to evolve from the low-pricing approach, diversify their product range, and tap the growth potential through Clinical Trial Market, High End Drugs, Penetration into the Rural Market, and the Contract Research and Manufacturing Services (CRAMS), all of which will be discussed at length at the influential*

*and reputable show”*

With the events of IPW hosted at the India Expo Centre, industry stakeholders and professionals have the liberty to attend the marquee show, network and celebrate the industry under one platform. The shift to the Delhi-NCR region has been a major factor in developing a complete pharma ecosystem in the sectoral pockets of the North, including the power corridors of the Centre.

Key exhibitors at the CPhI & P-MEC India expo included ACG, Excellence United, Aurobindo Pharma, Nectar Lifesciences, Hoong-A Corporation, Supriya Lifesciences, IMA, GEA Group, Optel Group, Bosch, Bowman & Archer, Solace Engineers, Morepen Laboratories, Hetero Labs, Neogen Chemicals, Akums Drugs & Pharmaceuticals, Granules India, Acebright Pharma, Zim Laboratories, Nitika Pharmaceuticals Specialities, Scope Ingredients, Evonik India, Colorcon Asia, Pioma Chemicals, IMCD India, Accupack Engineering, Pharmalab India, Ace Technologies, Gerresheimer, Uflex, Nipro PharmaPackaging, and Indo German Pharma Engineers, among many more.
