

Sahyadri Hospitals appoints Abrarali Dalal as Chief Operating Officer

13 February 2020 | News

He was pivotal in building North India's first private children's hospital in his previous role as Group COO, Rainbow Children's Hospitals.

Sahyadri Hospitals, Maharashtra's largest chain of multi-specialty hospitals, has named Abrarali Dalal as its Chief Operating Officer (COO).

Dalal is a healthcare and telecom industry veteran with an established track record. He was pivotal in building North India's first private children's hospital in his previous role as Group COO, Rainbow Children's Hospitals. Earlier, he was Facility

Director at Fortis Healthcare, New Delhi.

Founded in 1994, the Pune-headquartered Sahyadri Hospitals currently operates five tertiary care and three secondary care hospitals with 750 beds across Pune (Deccan Gymkhana, Nagar Road, Kothrud, Bibwewadi, Kasba Peth and Hadapsar), Nashik and Karad. Sahyadri has more than 1,500 clinicians along with 2,500 support staff providing high quality tertiary care medical services.

"With his rich and diverse experience, Dalal will take the Sahyadri Group towards the next level of growth and help achieve our aim to increase the bed count and revenue significantly in five years," **Dr. Charudutt Apte, Founder, Chairman and MD, Sahyadri Hospitals** said.

In October 2019, The Everstone Group, one of the largest India and South East Asia focused healthcare investors, had acquired a controlling stake in Sahyadri Hospitals Limited.
