Will donate Hydroxychloroquine, Azithromycin and other related drugs

Sun Pharmaceutical Industries Ltd. has announced its commitment to donate Rs 250 Million (Indian Rupees Two Hundred and Fifty Million) of Hydroxychloroquine (HCQS), Azithromycin, other related drugs and hand sanitizers to support India's COVID-19 pandemic response.

Sun Pharma urges people both in India and around the world not to hoard medicines, in order to make sure they are available to those in genuine need. The company is committed to working closely with the governments and relevant stakeholders to ensure there is uninterrupted supply of medicines. Sun Pharma is constituting a task force to handle the distribution of these products in India.
