Alkem Labs contributes Rs 7 Cr to PM CARES Fund

03 April 2020 | News

Ensuring uninterrupted supply of medicines and critical drugs in the market to help the patients comply with their treatment

Mumbai based Alkem, as one of the leading pharmaceutical companies in the country, is committed in the above fight against this virus and is doing its bit to help the country and the world overcome these testing times.

The team of over 18,000 dedicated and passionate Alkemites across various departments like Manufacturing, Quality, Supply Chain, Research, IT, Finance and HR is working around the clock to ensure uninterrupted production and supply of medicines and critical drugs in the market to help our patients comply with their treatment.

Additionally Alkem is also making a contribution of Rs 7 Crores towards Prime Minister’s Citizen Assistance and Relief in Emergency Situations (PM CARES) Fund to help the Government in their initiatives in combating this virus.
