"Better-equipped R&D workforce will prepare India for future"- Prof K. Vijay Raghavan

19 May 2020 | Views

Professor K. Vijay Raghavan, Principal Scientific Advisor to the Government of India, New Delhi shares his views on the ongoing COVID-19 crisis

"Technology can change the way we live our lives and the way we do things in future, particularly so in the post-COVID era. This is an opportunity to gear up for the future that lies ahead, and a better-equipped R&D workforce and ecosystem will prepare India better for future challenges."
