

"Nafamostat has shown promising data against SARS-CoV-2 in vitro"- Dilip Shanghvi

02	June	2020	ı	Views

Dilip Shanghvi, Ma	naging Director, S	un Pharma, Mumba	ai talks about the c	company's latest	contribution to the	COVID-
19 fight						

- Dilip Shanghvi, Managing Director, Sun Pharma, Mumbai

[&]quot;Sun Pharma is constantly evaluating potential targets that can be explored for treating Covid-19 patients. Nafamostat has shown promising data against SARS-CoV-2 virus in in vitro studies conducted by three independent groups of scientists in Europe, Japan and South Korea. We believe it holds promise in the treatment of COVID-19 patients."
