

Dr Reddy's to acquire select anti-allergy brands from Glenmark

30 November 2020 | News

The acquired brands represent two types of products, (a) mometasone mono product and (b) combination of mometasone with azelastine, and are indicated for the treatment of Seasonal and Perennial Allergic Rhinitis

Dr Reddy's Laboratories Ltd has announced that it has entered into a definitive agreement with Glenmark Pharmaceuticals Ltd to acquire, subject to completion of certain precedent actions and closing activities, brands Momat Rino (for Russia, Kazakhstan and Uzbekistan), Momat Rino Advance (for Russia), Momat A (for Kazakhstan and Uzbekistan), Glenspray and Glenspray Active (for Ukraine), along-with rights to the trademarks, dossiers and patents for the territories mentioned.

The acquired brands represent two types of products, (a) mometasone mono product and (b) combination of mometasone with azelastine, and are indicated for the treatment of Seasonal and Perennial Allergic Rhinitis.

MV Ramana, Chief Executive Officer, Branded Markets (India and Emerging Markets), Dr Reddy's said, "The new brands are a great addition to our product portfolio in Russia, Ukraine, Kazakhstan and Uzbekistan which are important core markets for us. Momat Rino, the largest brand acquired, has recently received OTC registration in Russia and this will enable accelerated access of this product to patients. The acquired products will further add to Dr Reddy's strong presence in the anti-allergy segment in these countries, and will also enable us to offer a more comprehensive solution to patients in this area."
