

Apollo establishes multi-specialty hospital in Ameerpet

25 March 2021 | News

The facility will provide access to comprehensive, affordable and personalised quality healthcare to the people of Ameerpet and the neighbourhood

Apollo Health and Lifestyle Limited (AHLL), a subsidiary of the Apollo Hospitals Group has established a world class technology-powered healthcare and surgical facility - Apollo Spectra Hospitals at Ameerpet. The facility will provide access to comprehensive, affordable and personalised quality healthcare to the people of Ameerpet and the neighbourhood.

The advanced multi-specialty hospital was formally inaugurated by Chief Guest Gadwal Vijayalakshmi, Mayor, Greater Hyderabad Municipal Corporation; at Shyam Karan Road, Ameerpet.

The Apollo Spectra Hospitals, Ameerpet, offers world-class medical infrastructure including ultra-modern operation theatres, state-of-the-art ICUs, comprehensive diagnostics; advanced hybrid cath lab; dedicated cardiac & surgical intensive care units and well-equipped rehabilitation unit to enable quick recovery of the patients. The hospital is backed by the professional expertise of 155 healthcare professionals, including 90 specialist consultants.

The new multi-specialty hospital will provide a wide range of services covering orthopaedics, general & laparoscopic surgery, medical and surgical gastroenterology, nephrology and dialysis, urology, pulmonology, ENT, dermatology, neurology, cardiology & CT surgery, and diabetology among others, offering preventive health care as well as outpatient and in-patient services.

The 24X7 Emergency Unit will be part of the 1066 Emergency Network of the Apollo Hospitals Group and will be managed by highly trained emergency specialists with emergency protocols of Apollo Hospitals, Jubilee Hills ER team.
