Das will spearhead the special purpose vehicle Zodiac Healotronics created for the acquisition of Grand Port hospital, Mumbai

Shivdutt Das has been appointed as the Managing Director and CEO for DY Patil Group's healthcare business w.e.f June 1, 2021. Das shall be spearheading the special purpose vehicle Zodiac Healotronics created for the acquisition of Grand Port hospital, Mumbai and its further expansion into a medical college and other ancillary healthcare services.

The group intends to make this one of the flagship projects and build this as a centre of excellence with a one thousand bed super speciality hospital, medical college, other paramedical and nursing education and associated plans of other business lines in the space of healthcare. Located in Wadala, Mumbai this setup has the ambition to become a landmark institution for Mumbai.

Das in his professional career of last 22 years has been in leadership roles with marquee organisations like United Spirits, ICICI Prudential, Bharti AXA Life Insurance, TATA AIA Life Insurance, Reliance Life Insurance and done advisory services with many other companies of high repute in the last five years. He had been associated with the group for the last few months as an independent consultant and we are happy to make this relationship stronger with this decision.
