Shyam S Bhartia, Chairman and [Hari S Bhartia](#), Co-Chairman and MD, Jubilant Pharmova said, "With the demerger of LSI business into Jubilant Ingrevia effective February 1, 2021, the company's consolidated results for Q4'FY21 include only one month of LSI business and consolidated results for FY21 include only ten months of LSI business. For FY21 our continuing operations, despite COVID-19 challenges, revenues were stable due to a diverse range of businesses. CDMO and Generics grew though we saw impact on radiopharma and had production impact at the Nanjangud API plant."

They further said, "Specialty pharma segment especially radiopharma was impacted due to COVID-19 and competition in radiopharma. In radiopharmaceuticals, we are expanding our product pipeline with strategic partnerships and have begun to execute a detailed turnaround plan of radiopharmacy business. CMO and generics delivered strong growth and we plan to expand capacity in CMO and enhance number and complexity of products under development in generics."

They added, "We are doubling our chemistry research capacity that should commission by [Q2'FY22](#). Despite COVID-19 related lockdowns, we have been able to ensure continuity in most of our manufacturing operations across all business segments while at the same time ensuring safety of our employees."
