Fortis Memorial Research Institute bags recognition as smart hospital

05 June 2021 | News

Bags the 23rd position in the list of the â??Worldâ??s Best Smart Hospitals, 2021â??

Fortis Memorial Research Institute has been featured at the 23rd position in the list of the 'World's Best Smart Hospitals, 2021', as per a survey by Newsweek. Out of 250 premier medical institutions, it is the only Indian hospital to feature in the top 25. Recognised as a smart hospital for its optimisation of clinical processes, digitised management systems, electronic surveys and imaging, advanced technology use through AI and telehealth.

The survey powered by Statista and the final shortlist is based on the recommendations on services of international and national nature. A unique methodology employed by Statista ensures the quality and validity of the ranking.

Ritu Garg, Zonal Director, Fortis Memorial Research Institute said, “Fortis has focused on using cutting-edge technology in Radiology, Oncology, Robotics, Neurosurgery, and diagnostics, in complicated heart surgeries, cancer care and general surgeries that require high-end technology.”

Dr Ashutosh Raghuvanshi, CEO, Fortis Healthcare shared, “Constant evaluation of our clinical outcomes against best available global standards motivates our medical workforce to continuously improve their skills and showcase our commitment to transparency in healthcare."
