

Delhi's Health Minister inaugurates ICU Tele Medicine Centre of India

12 August 2021 | News

The facility was launched at Ujala Cygnus Healthcare Services, Burari, New Delhi

Satyendar Kumar Jain, Minister of Health & Family Welfare, Govt of NCT of Delhi recently inaugurated the first ICU Tele Medicine Centre of India at Ujala Cygnus Covid Center, Burari, New Delhi.

PHD Chamber, Rotary Club of Delhi Central, BAPIO Training Academy (BTA) and Ujala Cygnus Healthcare Services signed MoU to start the telemedicine centre at Ujala Cygnus Healthcare Services where BTA will provide free of charge telemedicine service of international doctors to Ujala Cygnus Healthcare Services and PHD Chamber & RCDC will act as a facilitator.

Telehealth Project for COVID-19 India is the joint effort of Health Committee, PHD Chamber, Rotary club of Delhi Central, BAPIO Training Academy (BTA), UK and Ujala Cygnus Healthcare Services to provide the Tele-Consultation & Tele-Reporting (Internet and mobile-based) services and support Indian healthcare professionals looking after COVID-19 / Non-COVID-19 patients.
