

Yashoda Hospital Somajiguda to start specialised clinics for asthma, ILD

31 August 2021 | News

The launch will be held under the supervision of Dr V Nagarjuna Maturu, Department of Pulmonary Medicine

Yashoda Hospital Somajiguda is starting speciality clinics in pulmonology where people with severe lung diseases will get the focussed attention and access to the best treatments available. The launch will be held under the supervision of Dr V Nagarjuna Maturu, Department of Pulmonary Medicine.

Severe Asthma Clinics will be open every Thursday between 11 am and 5 pm. ILD Clinic will be open every Friday from 11 am to 5 pm.

Dr G Surender Rao, MD, Yashoda Hospitals Hyderabad said, “Yashoda Hospitals also prides itself in conducting the highest number of bronchial thermoplasty procedures in the country. Several people have benefited from this procedure over the last three years. Our Group has been the first to start cryotherapy and has performed the highest number of Cryobiopsies in the twin Telugu states.”
