#startupoftheday 22- KareXpert Technologies Pvt Ltd

30 September 2021 | Features

SaaS-based digital health platform

Inception- 2018

Location- Gurugram

Domain- Digital Healthcare

Founder- Nidhi Jain

Total team strength- 100+

Total funds raised – Rs 30 crore

Investors- Jio Partners

Revenue generated since inception- Rs 25 crore

Key Highlights-

- First Asian health tech company to offer the largest solution portfolio to hospitals to help them streamline patient data, improve operational efficiency and optimize cost
- To enable the digital transformation of 100,000 hospitals in India and across the globe in the next five years
- USP lies in its integrated, SaaS-based, and platform-based approach that enables seamless digitalisation of hospitals
- Built an xCloud in-house no-coding engine to bring the 3X speed for new features

Founder Speaks-

"Since last year, we have been seeing a meteoric uptick in demand from hospitals of all sizes, with most of them planning to move their operations completely to the cloud. We expect the demand will continue to be high in the coming years and SaaS-based health tech solutions will especially be at the forefront of this growth."

- **Nidhi Jain, Chief Executive Officer, KareXpert, Gurugram**
