

Max Healthcare expands in NCR region, to add 1000+ beds in Gurugram

04 October 2021 | News

To acquire 11.4 acres of land to construct two hospitals of ~500 bed capacity each in the heart of new Gurugram

Max Healthcare Institute Limited (MHIL) is expanding its bed capacity in NCR region by addition of two hospitals of ~500 beds each in Gurugram. This will significantly ramp up its existing footprint in NCR region and help serve the healthcare needs of ever-expanding communities in Gurugram.

Two land parcels measuring ~6.11 acres and ~5.26 acres are being allotted by HSVP (Haryana Shahri Vikas Pradhikaran) post successful bid by the Company in a recent HUDA auction and are located in the heart of Gurugram abutting well populated areas of Sectors 53 on the Golf Course Road and Sector 56. At present, Max Healthcare runs a multi-specialty Hospital in Sector 43, Gurugram.

Dr Abhay Soi, Chairman and MD, Max Healthcare said, “The two newly acquired land parcels will be constructed in a phased manner, adding ~1,000 beds over the next four to six years and will further strengthen our presence in NCR.”
