

PM inaugurates Vishram Sadan at National Cancer Institute in Jhajjar campus of AIIMS New Delhi

21 October 2021 | News

The Vishram Sadan has been set up by Infosys Foundation

Prime Minister Narendra Modi inaugurated the Infosys Foundation Vishram Sadan at the National Cancer Institute in the Jhajjar campus of AIIMS New Delhi via video conference.

Modi noted that today in AIIMS Jhajjar, patients coming for cancer treatment have got great convenience. The Vishram Sadan, built in the National Cancer Institute, will reduce the worries of patients and their relatives.

The Prime Minister praised Infosys Foundation for constructing the building of Vishram Sadan and AIIMS Jhajjar for providing the land, electricity and water. He expressed his gratitude to the AIIMS management and Sudha Murthy's team for this service.
