Healthminds Consulting appoints Dr Lt BG Ravindranath Kunjithai as VP of Strategy & Growth

25 October 2021 | News

Dr Kunjithai will be responsible for driving business strategy and identifying new growth avenues

Healthminds Consulting has announced the appointment of Dr Lt Col B G Ravindranath Kunjithai as the Vice President of Strategy & Growth. Dr Kunjithai will be responsible for driving business strategy and identifying new growth avenues.

Dr Kunjithai is an ophthalmologist and was from the Indian Armed Forces Medical Services. After his premature retirement from the army, he has remained associated with the pharma industry for the past 15 years. He has valuable work experience in the medical communication domain. He has also worked with leading Indian and global pharma companies like Indegene, Biocon, Novartis and Sayre Therapeutics and made meaningful contributions. He has a rich understanding of clinical science and its appropriate application in the pharma and medical devices Industry.

Speaking on the appointment, Dr Chinmaya Chigateri, CEO, Healthminds Consulting said," We are excited about the appointment of Dr Kunjithai and look forward to working with him. He joins us at a time when the company is ready to shift gears and move to an accelerated phase of growth. We hope to draw on his medical acumen and rich experience and expect the appointment to make a material difference to our business outcomes."
