

Pathkind Diagnostics opens pathology lab in Nagpur

29 October 2021 | News

Plans to launch more centres in Mumbai, Pune, Aurangabad, Goa, Bhopal and Indore

Pathkind Diagnostics has made a foray in Maharashtra with a state-of-the-art pathology lab in Congress Nagar and Nagpur.

The move is in line with the company's aggressive expansion plans in Maharashtra and other western and central states of India.

The new lab was inaugurated by Nitin Gadkari, Minister of Road Transport and Highways of India (Govt. of India) and Sanjeev Vashishta, MD & CEO, Pathkind Diagnostics.

Pathkind Diagnostics has opened large-format labs in Nagpur, Raipur, Jabalpur and very soon more labs will be launched in Mumbai, Pune, Aurangabad, Goa, Bhopal and Indore to be able to provide superior quality diagnostics services to the people residing in western and central parts of India at their doorsteps. Pathkind has opened almost 200 collection centres in that geography.
