Dilip Shanghvi, MD, Sun Pharmaceutical Industries said, "Following our good Q1 performance, we have sustained the positive momentum in Q2 with a topline growth of 13 per cent YoY, driven by broad-based growth across multiple geographies. Our global speciality business has grown by 43 per cent over Q2 last year. Ilumya has grown both YoY and sequentially. Our India business continues to do well with a growth of 26 per cent YoY. We remain steadfast in our focus on growing our overall business and simultaneously strengthening our global speciality portfolio. The recent launch of Winlevi in the US and Ilumya in Canada is a step forward in this direction."
