

Ram Yeleswarapu joins Indegene Clinical as SVP

16 November 2021 | News

Yeleswarapu will improve the effectiveness and efficiency of clinical development

Ram Yeleswarapu, a leading executive with over 25 years of experience in the life sciences industry joined Indegene Clinical as SVP. Before joining Indegene, Yeleswarapu was the President of Navitas Life Sciences, a full-service global CRO.

Yeleswarapu said, "I am excited to join Indegene at a time when many healthcare organisations are recognising immediate value from digital transformation. I realised the tremendous potential to improve the effectiveness and efficiency of clinical development while working with many startups focusing on developing technologies suited for decentralised clinical trials, clinical decision support and process orchestration across clinical research."
