Home Healthcare startup Zorgers raises angel round for expansion

27 December 2021 | News

Zorgers currently offers its services in Punjab, Haryana, and Himachal Pradesh

Zorgers, a home healthcare startup, has raised an angel round from Ritu Marya Family Office. The funds will be used towards expanding their presence across geographies, and for mobilizing 50,000 healthcare professionals in the next two years.

Chandigarh-based Zorgers is an eight-year-old healthcare startup that specializes in at-home healthcare and provides services like ICU at Home, Critical Care, and End-of-Life Palliative Care, Assisted Living-Elderly Care, Cancer Treatment at Home, Dialysis at Home, and Physiotherapy, along with a plethora of clinical procedures.

The startup currently has a fleet of 4500 healthcare professionals across the country, including 50 + doctors on board.

Zorgers currently offers its services in Punjab, Haryana, and Himachal Pradesh, and plans to expand its service network to 30+ Cities. The company has recently closed a franchise partner in Delhi, and are looking for franchise partners across India, particularly in Mumbai, Pune, Hyderabad, Bangalore, and Kolkata.

To date, the startup has serviced 25,000+ patients, currently has 10+operational units, and delivered 13+ million hours of care. By 2025, Zorgers intends to create an active workforce of 1 lakh trained and quality caregivers.
