Indira IVF adds two centres in Bengaluru

31 December 2021 | News

Bengaluruâ??s Kalyan Nagar and Whitefield are the latest additions

Indira IVF added two new centres in Bengaluru's Kalyan Nagar and Whitefield locations, increasing its presence to 104 hospitals in India. The organisation is also present in JP Nagar, Rajaji Nagar and Indira Nagar, and operates in a hub-and-spoke model to provide ease of access to its patients across the city. The largest infertility treatment provider in the country, Indira IVF is set up in four more centres in Karnataka, including Mysore, Hubli, Gulbarga, and Belgaum. This expansion is a part of its plan to increase its spread across South India.

Dr Kshitiz Murdia – CEO & Co-Founder, Indira IVF said, "Over the next few months, we will inaugurate centres in Tumkuru, Bellary, Raichur, and Davangere. We plan to amplify our footprint in Andhra Pradesh, Telangana, Tamil Nadu, and Kerala subsequently," he added.
