

Manipal Hospitals conducts vaccination drive for children with special needs

03 January 2022 | News

Nearly 100 children received vaccination across its Bengaluru centres

Manipal Hospitals organised an exclusive vaccination drive for children with special needs in the age group of 15-18 years across all its centres in Bengaluru.

The vaccination drive was conducted with the support of Samarthanam Trust for Disabled, and Asha Kiran Special Needs School, and a few NGO's accounting for nearly 100 children receiving the vaccination across the centres.

The vaccination drive took place at Manipal Hospital Old Airport Road, Sarjapur, Varthur, Yeshwanthpur, Whitefield, and Hebbal. Manipal Hospitals organised the vaccination slots for the special needs children to immunise the children against COVID-19.
