TrueProfile.io unveils career platform for healthcare professionals

24 January 2022 | News

TrueProfile.io provides job opportunities for aspiring Indian healthcare professionals in various international destinations

Dubai-based TrueProfile.io, the online career hub for healthcare professionals, hasunveiled the latest addition to the blockchain-powered career platform for healthcare workers called TrueProfile.io Jobs in India.The platform is aimed at

helping Indian healthcare professionals find job opportunities abroad.

The platform also offers comprehensive career resources like a free digital CV and access to recruiters worldwide. Some of the top international markets that have huge potential for Indian healthcare professionals are the UK, Ireland, the Kingdom of Saudi Arabia, and the UAE.

With the ongoing pandemic, the need for healthcare professionals has grown multifold and medical recruiters, employers, hospitals and clinics have amplified their hiring efforts on a global scale. TrueProfile.io has partnered with healthcare industry leaders to fulfil the rising requirement for skilled talent in the face of the global pandemic.
