Dr Mansukh Mandaviya unveils NIPER Research Portal

28 January 2022 | News

Industry-Academia cooperation is crucial to channelize the young talent and human resourcesâ?? Dr Mansukh Mandaviya

Union Minister for Chemicals and Fertilizers Mansukh Mandaviya has launched NIPER Research Portal along with Bhagwanth Khuba, Minister of State for Chemicals and Fertilizers in presence of Dr V. K Paul, Member (Health), Niti Aayog.

National Institute of Pharmaceutical Education and Research (NIPER) Research Portal has been created with the aim to disseminate the information about all the NIPERs and their research activities, patents filed and publication information at one place so that a industry and other stakeholders know about them.

Pointing towards the importance of healthy competition both in Industry and Academia, the Union Minister noted that competition and demand is a necessity of research and innovation as this promotes quality ideas and solutions for our citizens. He stressed that Research and Innovation is a necessity for the sustained growth of pharmaceuticals sector.

The purpose of this portal is to authenticate availability of the research work that is ongoing. It will help other researchers and especially the industry to get in touch with the relevant organization so that they can work together and make the research more purposeful and meaningful.
