

Proteon Pharma appoints Paolo Doncecchi as Global Sales Director

31 January 2022 | News

Doncecchi has led several sales and marketing positions at global biotechnology companies

Proteon Pharmaceuticals, a subsidiary of Proteon Pharmaceuticals Poland, has appointed Paolo Doncecchi as its Global Sales Director as its expansion plans in India and other South-East Region. With over 30 years of experience in marketing and sales, Doncecchi has led several sales and marketing positions at global biotechnology companies such as Pfizer, Zoetis, Biomin and Adisseo in the field of animal health and nutrition.

Doncecchi, an Italian national, has completed his university degree in Veterinary Medicine. He recently became a member of Insight Partners, American venture capital and private equity firm based in New York City that invests in growth-stage technology, software and Internet businesses.
