

Ministry of AYUSH signs MoU with Safdarjung Hospital to establish Integrative Medicine Unit

07 April 2022 | News

The MoU sets down the guidelines for establishment of integrative medicine unit, joint research and academic activities in various fields of interests in Ayurveda and modern medicine

All India Institute of Ayurveda (AIIA), the apex institute of Ayurveda in India under the Ministry of AYUSH, and Vardhman Mahavir Medical College and Safdarjung Hospital (VMMC & SJ Hospital) have signed an MoU to develop a unique centre of excellence (CoE) model of Integrative Health Facility in the country for tertiary care.

As per the agreement, both AIIA and VMMC & SJ Hospital will jointly work to treat patients using the best of both Ayurveda and Modern Medicine.

Under the agreement, the infrastructural space and other requisites to run the centre on a day-to-day basis will be provided by VMMC & SJ Hospital, whereas the technical support including manpower, technical infrastructure, and running of the centre will be managed by AIIA.

The expert faculty and staff of both the signees will form a joint committee of integrated medicine to run and establish the model centre.

The faculty and students of AIIA and VMMC & SJ Hospital will have access to the facilities of both institutes, subject to their respective rules and regulations with prior permissions as granted by authorities.
