

MEDIKABAZAAR ties up with India Health Link

29 April 2022 | News

The partnership will help to extend the nationwide distribution network for the availability of its proprietary and award-winning HPod for Corporates & Doctors' Clinics

MEDIKABAZAAR has joined hands with health and medical device startup India Health Link. The collaboration with Medikabazaar will help the maximum number of patients deprived of the accessibility to primary and preventive care.

Medikabazaar, through its over 40 warehouses and a network of offices and delivery ecosystem, has the capability to deliver small to big medical supplies in more than 900 pincodes across the country.

Dr Satyender Goel, Founder & CEO, India Health Link, said, "This collaboration will be instrumental in enabling small clinics with one-of-a-kind self-screening Health Pod and IHL Care platform."

Vivek Tiwari, Founder & CEO, Medikabazaar said, "Our collaboration with India Health Link will catalyse our mission to ensure that everyone has access to innovative and quality health treatment driving Accessibility, Availability, Affordability and Awareness.
