ADMI announces new leadership team

29 May 2022 | News

The new leadership was formally handed charge by Veena Kohli, the outgoing President, at a recently held AGM in Mumbai

Association of Diagnostics Manufacturers of India (ADMI) has announced a new leadership team for the period 2022-2025. The new leadership team comprises Thomas John – President (also MD, Agappe Diagnostics), Veeraal Gandhi – Vice President (also Founder Chairman, Voxtur Bio), Jatin Mahajan – Secretary (also Managing Director, J Mitra & Company) and Chirag Joshi – Treasurer (CEO, Beacon Diagnostics).

The new leadership was formally handed charge by Veena Kohli, the outgoing President, at the AGM in Mumbai.
