Instashield bags award for virus attenuation electron device

27 June 2022 | News

Receives WCDM-DRR Award

Medical device Instashield has received the ‘WCDM-DRR Award.’ The award was given by G Kishan Reddy, Union Minister of Tourism, Culture and Development of the North Eastern Region of India recently in Delhi.

Instashield received the award for its significant contribution in the field of research in virus attenuation electron devices for its product that disables all kinds of viruses including SARS-COV2.
