# Fortis Cancer Institute opens at Defence Colony, New Delhi

28 June 2022 | News

**The day-care centre will offer personalised treatment from across Delhi/NCR**

Fortis Healthcare has launched Fortis Cancer Institute at Defence Colony, New Delhi. The day-care centre is equipped with a 12-bedded chemotherapy facility and aims to have programmes for patients focused on mind, body and nutrition.

Dr Ashutosh Raghuvanshi, MD & CEO, Fortis Healthcare said, "Fortis Cancer Institute will cater to the specialised and customised treatment needs for cancer patients by providing precision medicine, targeted chemotherapies, personalised nutrition along with yoga to heal the body and mind and will be crucial in bridging the hiatus related to overall healing and well-being of cancer patients and survivors."
