vHealth by Aetna forays into western India

07 July 2022 | News

Eyes states of Maharashtra, Goa, Gujarat and Rajasthan

vHealth by Aetna is strengthening its presence in the western part of India. The company is comprehensively providing its services in four Western states - Maharashtra, Goa, Gujarat and Rajasthan. The company is looking beyond the metro cities and bringing high-quality healthcare services to tier II and tier III cities by aggressively expanding its existing provider network, subscriber base and channel partners.

vHealth is building a robust network of top healthcare providers in West India, including trusted diagnostics partners like Tata 1mg, Thyrocare etc.; leading offline pharmacy chains such as Easy medico and other online pharmacies for doorstep medicine delivery; top hospitals for OPD services like PD Hinduja, Currae Hospital, Reliance Hospital, MGM New Bombay Hospital etc. and dental chains like Clove Dental, to name a few.
