The investment aims to fuel expansion plans pan-India

Jaipur-based ASG Eye Hospitals has announced a Rs 1,500 crore investment led by General Atlantic and Kedaara Capital.

General Atlantic and Kedaara Capital will join existing operations-focussed healthcare investor Foundation Holdings in supporting and fuelling ASG Eye Hospitals' growth towards their mission to become one of Asia's leading eye hospital chains. The transaction is also expected to pave the way for an exit for Investcorp, which invested in the company in 2017.

The investment aims to fuel expansion plans to solidify ASG's position as a leading healthcare delivery platform with pan-India reach.
