Aman Mehta joins Torrent Pharma as Director on Board

29 July 2022 | News

He has been Executive Director at Torrent Pharma and heads the India Business along with Corporate HR

Aman Mehta has been appointed as Director on the Board of Torrent Pharma effective August 1, 2022. Mehta is an MBA from Columbia University, New York, and a Bachelor of Economics from Boston
University, Boston.

During his tenure with Torrent, he has worked in both Power and pharma sectors. He has been Executive Director at Torrent Pharma and heads the India Business along with Corporate HR.

Mehta's key achievement has been the successful integration of the Unichem acquisition. Further, he has led several organic growth initiatives that have started delivering market share gains, with a focus on new product launches.
