

PM inaugurates Rs 200-cr Shrimad Rajchandra Hospital in South Gujarat

05 August 2022 | News

The 250-bed charitable hospital is spread across 8 acres

Prime Minister Narendra Modi virtually inaugurated Shrimad Rajchandra Hospital. Located in South Gujarat, the 250-bed charitable hospital is spread across 8 acres, built at a cost of over Rs 200 crores.

The newly inaugurated hospital aims to provide free support to underprivileged patients at every stage of recovery right from early diagnosis, treatment, and preventative care to rehabilitation, by a team of 300+ doctors and specialists.
