

Ashok Bajpai appointed as Chairman of Global Hospitals, Parel, Mumbai

29 August 2022 | News

Bajpai has over 30 years of experience working for leading multinationals in the region as well as the Government of India

Global Hospitals, Parel, Mumbai, a part of IHH Healthcare, has announced the appointment of Ashok Bajpai as its new Chairman.

Bajpai has over 30 years of experience working for leading multinationals in the region as well as the Government of India. As the Group Head of Operational Strategy at IHH Healthcare, Bajpai plays a key role in expanding IHH's global footprint and integrating its global businesses into its performance and business management processes. He is also the Chairman of Gleneagles Global Hospitals in India and serves as Director on several other IHH boards.

As the Chairman of Global Hospitals, Parel, Mumbai, Bajpai, alongside other Board members, will guide the management team.
