HGS Healthcare unveils new brand identity Sagility, post divestment

16 September 2022 | News

Sagility will enhance service offerings with technology and analytics

HGS Healthcare, with operations in India, US, Jamaica, and Philippines, has announced Sagility' as its new brand identity. The company, a strategic partner for healthcare payers and providers, provides industry-leading technology and transformation-driven business process management (BPM) services. This enables healthcare businesses to deliver efficient and high-quality services to their members.

Speaking on the new brand identity, Ramesh Gopalan, Group CEO, Sagility said, "Sagility means wisdom in action. Sagility will build on this legacy and enhance its service offerings with technology and analytics, thereby enabling the company to offer hi-impact transformative solutions."
